Exercise 50.1

Read about Halloween.

(worksheet 50.1)

Complete the information.

Exercise 50.1

Halloween is usually celebrated amongst family, friends and sometimes, co-workers. However, some areas hold large community events. Parties and other events may be planned on October 31 or in the weekends before and after this date. Adults may celebrate by watching horror films, hold in costume parties or created hunted house or grave yards. Many children dream up in fancy costumes and visit other homes in the neighborhood. At each house, they demand sweets, snacks or a small gift. This is known as playing 'trick or treat'. Some families carved lanterns with 'scary' faces out of pumpkins or other vegetables or decorate their homes and gardens in Halloween style. These were traditionally intended toward off evil spirits. It you are at home on Halloween, it is good idea to have a bowl of small presents or sweets to offer to anyone who knocks on your door. So Halloween is the day adults and children enjoy themselves very much because they have a lot of interesting activities to do so.
