Hello. How is your class?

Marc

Leone

Hmm...not that good.

Marc

Leone

**Why not? Is it because
you learn online?**

Marc

Leone

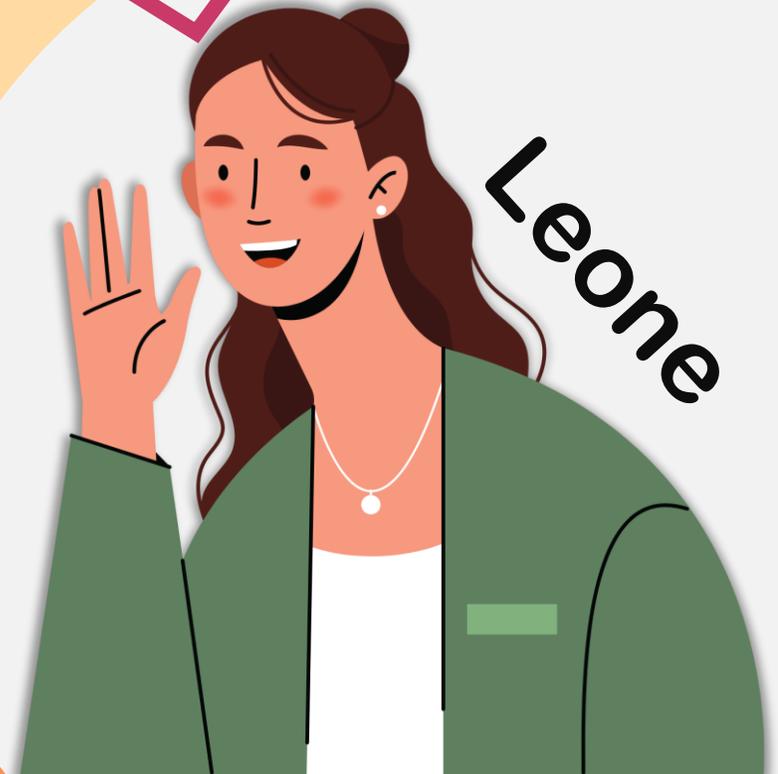

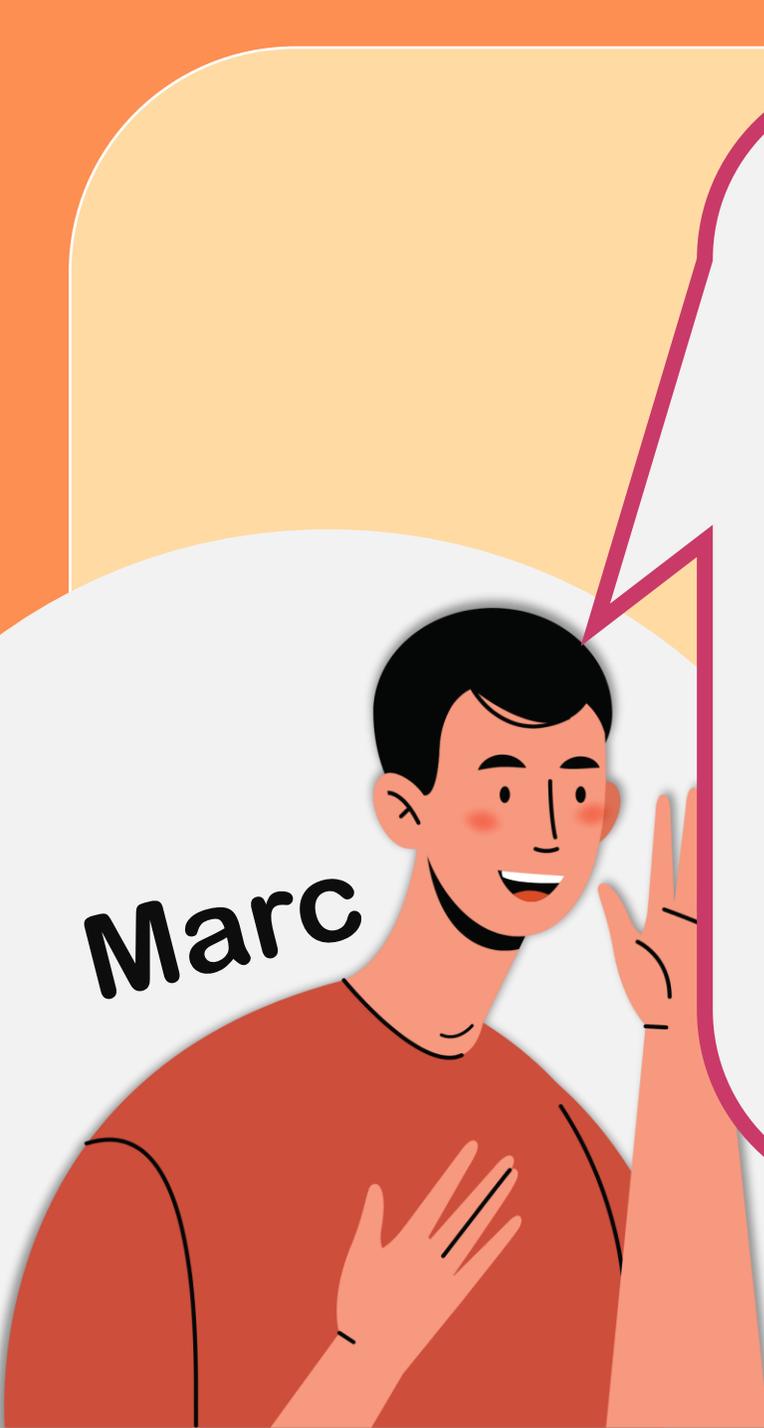

Yes. How do you know that?

Marc

Leone

An illustration of a man with short black hair, a goatee, and rosy cheeks, wearing a red t-shirt. He is shown from the chest up, gesturing with his hands as if speaking. The name 'Marc' is written in a black, sans-serif font to his left. A large, white speech bubble with a pink border is positioned to his right, containing text.

Marc

I found many Facebook comments from the students and their parents and it gets worse, for some teachers still teach in the old ways even they teach in their online classes.

**That's right, but the English teacher can change my mind.
Do you believe that?**

Marc

Leone

**Really?
How can she do that?**

Marc

Leone

She teaches us how to create a story together in the Facebook group. Finally, we can make the skit clip.

Marc

Leone

**Great! So do you think
Facebook can still help
us learn if necessary?**

Marc

Leone

In my opinion, yes! It is because it helps a lot. I can finish the exercise anywhere and anytime.

Marc

Leone

**And how do you make
a presentation?**

Marc

Leone

**We do it through
a YouTube channel.**

Marc

Leone

**Does your teacher
have her own channel?**

Marc

Leone

Yes, she does. She teaches us to upload our skit video, watch our friends' clips online, and give feedback.

Marc

Leone

Fantastic! But why did you say your online classes were not good?

Marc

Leone

As both my friends and I think we are very tired looking at the screen for six hours a day. Hmm...let's talk about this later

Marc

Leone

That's okay. But if I can help you with online classes, just tell me.

Marc

Leone

Thank you so much.
