HOUSES AROUND THE WORLD

Hi, my name is Ella. I'm from Sweden. Sweden has got lots of trees in enormous forests. We make a lot of things from wood, like chairs, tables, cupboards and toys. Some houses are made of wood too, like our summer house. It's near a lake.

We live here all summer. We swim in the lake every day. We go fishing in our boat. We catch lots of fish and then cook them for lunch. I'm always happy here.

Hi, my name's Kamon. I'm from Thailand. We're on holiday, and this is our hotel! It's an eco-friendly place. This is a tree house. It's got two bedrooms and a bathroom. We climb a ladder to our rooms. It's high, but exciting! There isn't any electricity so we don't listen to music or watch TV. We swim in the river, walk in the jungle, listen to birds singing or watch wild animals from the bedrooms. It's awesome!

Hi, my name's Angotee. I'm from Alaska. We're Eskimos and this is a temporary house. It's an igloo. In the past, our people lived in these houses made of snow and ice but eskimos in contemporary times live mostly in modern houses, but igloos are still used during camping trips.

I love camping, fishing and hunting!
