There are 3 teachers and 30 students in my school. My friends and I like jumping ropes in the playground in front of the building. We enjoy sports day activities because we can play different kinds of sports. We like studying English because it is fun. Hello, my name is Alisa. I am 13 years old and studying in Bangkok. My school has excellent teachers who help students with their studies, sports, and other special activities. We have different classrooms where the teachers teach us different subjects. There are three buildings in school. Our classroom is on the second floor of the first building.
