A collage of travel-related items. At the top, a world map shows continents like North America, South America, Europe, and Africa. Below it, a smartphone displays a map application with a legend for 'Your Locations' and 'Restaurant'. To the right, a camera is visible. On the left, there's a wallet and a pair of glasses. At the bottom, a hand points to a street map with labels like '201A Street', '54A Avenue', '56 Avenue', 'Douglas Cres', and '204 Street'.
