Dear Pim,

How are you my dear friend? I am fine here and hope the same for you. I had a wonderful holiday last month because my parents took me to my grandparents' house which is near the beach!

I enjoyed the time with my family. We rode a bike along the beach and had to wear short and light clothes because it's sunny. My cousins and I went swimming almost every day, and they also took me to some local restaurants for seafood.

I remembered you told me that you liked eating seafood. So, if you come to see me again next month, you should prepare yourself for this because I may take you there!

I miss you so much and see you again soon. I promise we're going to have fun!

I love.

A photograph of a family walking on a beach at sunset. The sun is low on the horizon, creating a warm, golden glow. The sky is filled with soft, white clouds. The family consists of a man, a woman, and a small child, all silhouetted against the bright light. They are walking away from the camera, holding hands. The man is on the left, the woman is on the right, and the child is in the middle. Their shadows are cast long and dark on the wet sand in front of them. The ocean waves are visible in the background, breaking gently onto the shore.
