Read the conversation.

Shopping with Mom

Mom: Can you check our *shopping list*, honey? Have we bought everything?

Jane: Yes, we have. Actually, I also need a new pair of trousers. As I get taller, most of my clothes have become too small for me.

Mom: Then, let's go to the floor where the *clothing stores* are.

..... 20 Minutes Later

Mom: Oh, here you are! What have you got for yourself, dear?

Jane: Well, I have *shopped around* for trousers that I like. The best *deal* now is 599 baht at this shop. Don't you think it's still too expensive?

Mom: Well, high-quality clothes are expensive but they last for many years, right? It's not a waste of money.

Jane: Hmm... That's true, and I have saved my money for that.

Mom: Let me see. Which trousers have you *tried on*?

Jane: These green ones and the black pair over there.

Mom: Both are very nice. But if you ask me, I prefer black.

Jane: That's what I thought!

Mom: Black gets along well with many other colors.

Question Time

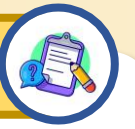

How many *wh- questions* in the Present Perfect Tense are there in the conversation?
What are they?

What have you got for yourself, dear?

Which trousers have you tried on?

Shopping with Mom

Mom: Can you check our **shopping list**, honey? Have we bought everything?

Jane: Yes, we have. Actually, I also need a new pair of trousers. As I get taller, most of my clothes have become too small for me.

Mom: Then, let's go to the floor where the **clothing stores** are.

..... **20 Minutes Later**

Mom: Oh, here you are! What have you got for yourself, dear?

Jane: Well, I have **shopped around** for trousers that I like. The best **deal** now is 599 baht at this shop. Don't you think it's still too expensive?
