# Worksheet 1

# The Crow and The Pitcher

Then an idea came to him. Picking up some small pebbles, he dropped them into the pitcher one by one.

In the spell of dry weather, when the birds could find very little to drink, a thirsty crow found a pitcher with a little water in it.

With each pebble, the water is a little higher until at last it was near enough so he could drink.

But the pitcher was high and had a narrow neck, and no matter how he tried, the crow could not reach the water. The poor thing felt if he must die of thirst
