“If you could keep only 1 electronic item with you, what would it be?”

Conversation

What's your favorite item?

Sophie: Brian, what's your favorite technology item?

Brian: Hmm... I would say it's my smartphone. I carry it around every day and everywhere. It contains important information and pictures I've taken.

**Sophie: Right. Apart from your smartphone,
what's your favorite device?**

Brian: Well, that must be my tablet.

Sophie: I see. How often do you use the tablet?

Brian: I normally use it on weekdays. To take notes and write some reports, you know.

Sophie: Then, apart from your smartphone and tablet, what would be your favorite item?

Brian: An air conditioner, of course! I cannot survive summer in Thailand without it.

Sophie: That's true, haha. How often do you turn it on?

Brian: Every night. I rarely turn it on during the day because I'm at my workplace.
