## The Oregon Weather Forecast

Good afternoon and welcome to the weather forecast. Let's take a look at the weather outside now. What's it like?

Well, it's currently raining and cloudy in southern Oregon while northern Oregon is cold and clear. The sun is shining, but it's rather cold up here in the north! The temperature is currently 45 degrees in southern Oregon and only 30 degrees in the north.

Shall we see what the weather will be like tomorrow? Well, it will be rainy in the morning in southern Oregon and windy in northern Oregon. In the afternoon, the south will see cloudy weather with some rain later in the day. Northern Oregon will also see rain turning to snow and it will be quite windy, with winds coming from the north-east.

That's the weather forecast for this afternoon. Have a good day!
