Once upon a time, there was a village near mountains. The villagers worked on their farms and fed their animals.

One day, the village chief had a bad diarrhea.  
The villagers would like to help but they didn't know what to do.

A man said, "We lived very far from the hospital. How can we help him now?"

An old woman came and said, "I know the herb which can cure the Chief."

The old woman took some herbs out and said, "Guava leaves can cure diarrhea."
