### *Shopping with Mom*

**Mom:** Can you check our *shopping list*, honey? Have we bought everything?

**Jane:** Yes, we have. Actually, I also need a new pair of trousers. As I get taller, most of my clothes have become too small for me.

..... 20 Minutes Later .....

**Mom:** Oh, here you are! What have you got for yourself, dear?

**Jane:** Well, I have *shopped around* for trousers that I like. The best *deal* now is 599 baht at this shop. Don't you think it's still too expensive?

**Mom:** Well, high-quality clothes are expensive but they last for many years, right? It's not a waste of money.

**Jane:** Hmm... That's true, and I have saved my money for that.

**Mom:** Let me see. Which trousers have you *tried on*?

**Jane:** These green ones and the black pair over there.

**Mom:** Both are very nice. But if you ask me, I prefer black.
