1. ใบงาน: Speaking Practice- Trending Movies

2. ใบงานเรื่อง Movie Trailer

3. ใบความรู้ Sentence Structures: Using adjectives correctly

Match the words with the correct picture for movie genres.

**1.**
This type of film has a lot of action scenes including violence (fighting, shoot-outs), car chases and often lots of explosions.

2.
This is a journey that often takes place in exotic locations and can involve exploration or a quest.

3.
Instead of real actors, drawn images (nowadays computer generated ones) are used to tell the story. Real actors are used for the voices.

4.
The main idea of comedies is to make the audience laugh. The main characters are constantly involved in funny situations.

5.
These films are serious and focus on the emotions of realistic characters and the conflicts they have.

6.
Situations, places and/or events that don't comply with natural laws or settings. They often involve some form of magic.

7.
They are based on real events in the past or sometimes just the time period is used as the setting and all events are fictitious.

8.
The objective is to scare / frighten the viewer. They often feature a monster, some type of evil entity or terrible/frightening situation.

9.
Songs are sung by the characters as a part of the narrative and usually help advance the plot or develop the film's characters.

10.
Love stories that focus on the romantic involvement of the main characters and the development of their relationship.

11.
Fictional stories based on science. They can be about the future or other worlds/beings, often include spaceships and advanced technology.

12.
They evoke excitement and suspense in the audience. A common theme involves innocent people dealing with a deranged adversary.

13.
Fictional stories based in the American West during the late 19th century. They feature cowboys, horse riding and gunfights.

14.
Many movies can be a combination of different genres. *Pride and Prejudice* is a romantic film and a historical film (because of its setting).

- Western
- Historical
- Action
- Musical
- Science fiction
- Romance
- Fantasy
- Animated
- Comedy
- Thriller
- Drama
- Horror
- Adventure
- Hybrid genre
