 - facts
 - knowledge
- 

Security Tips

for Privacy

on Social Media

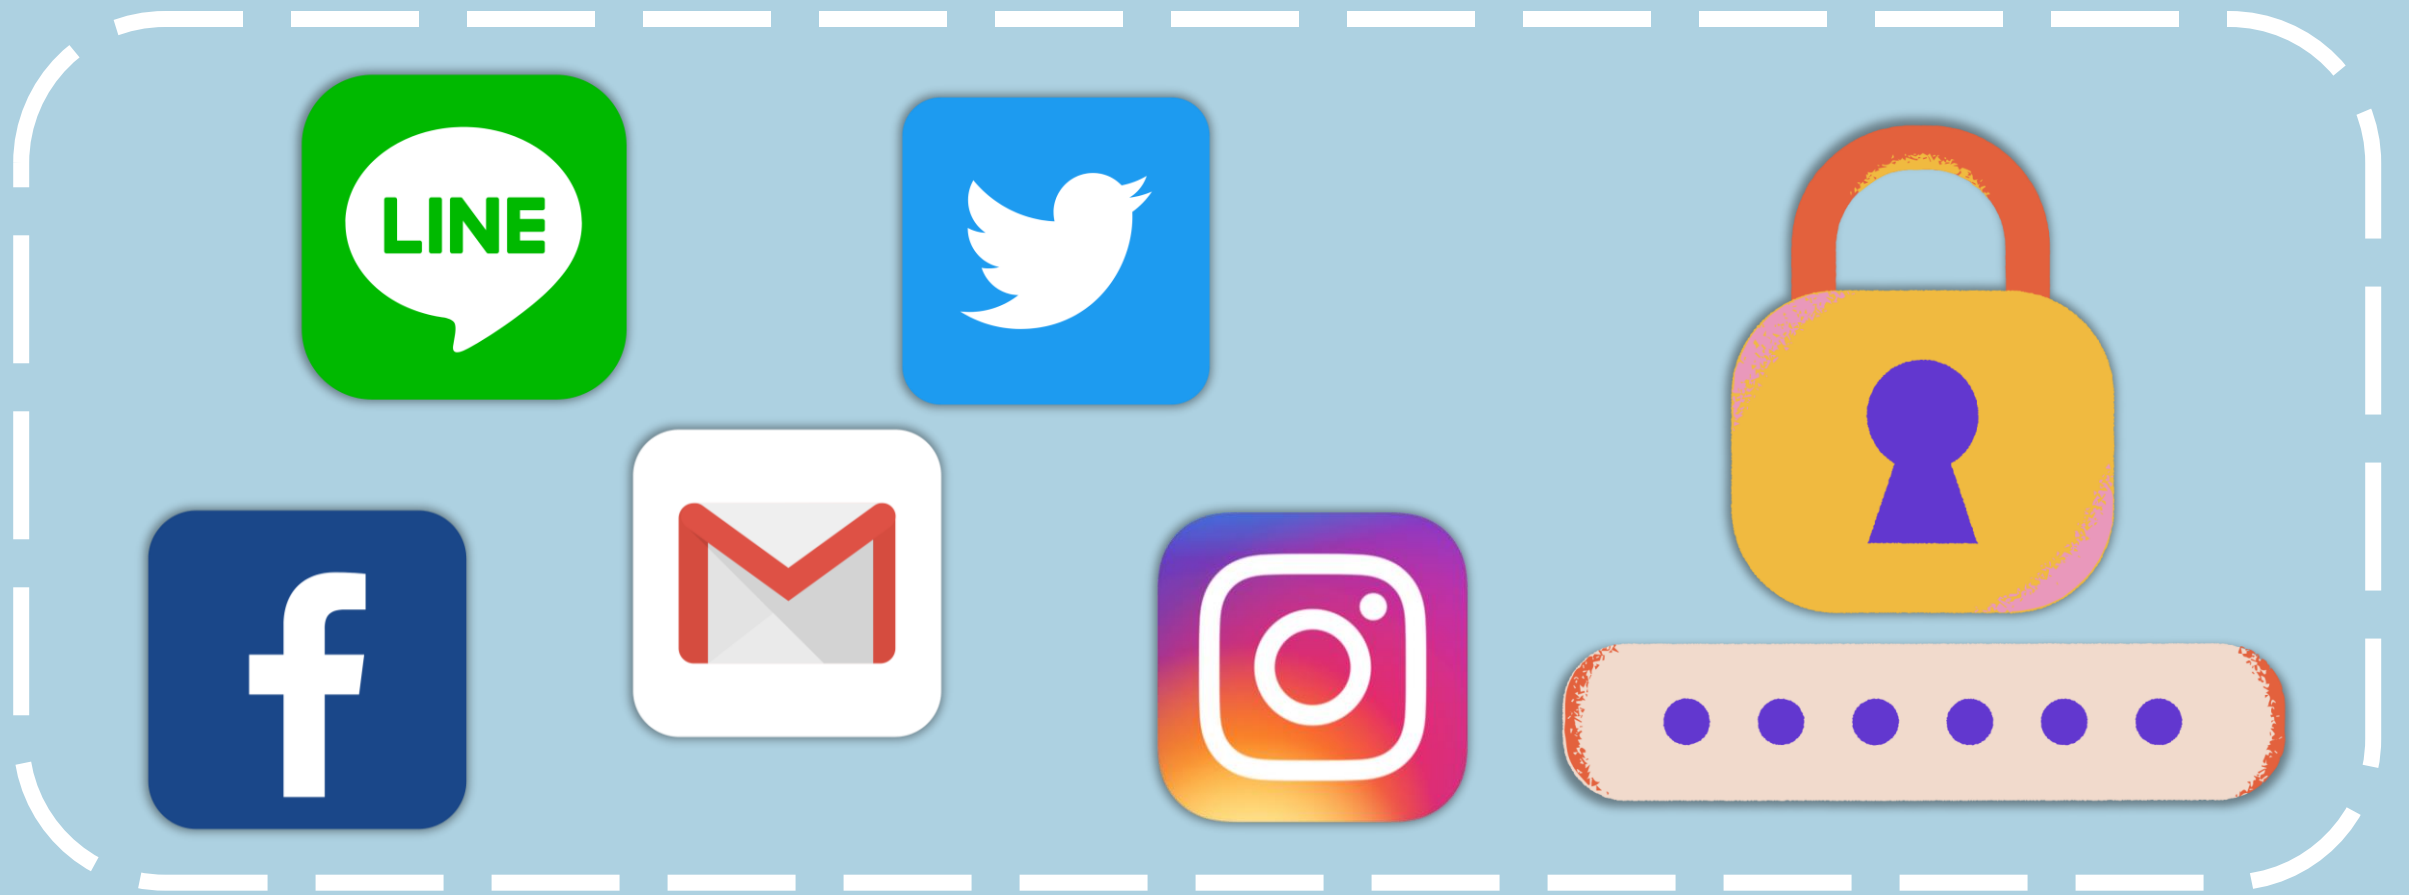

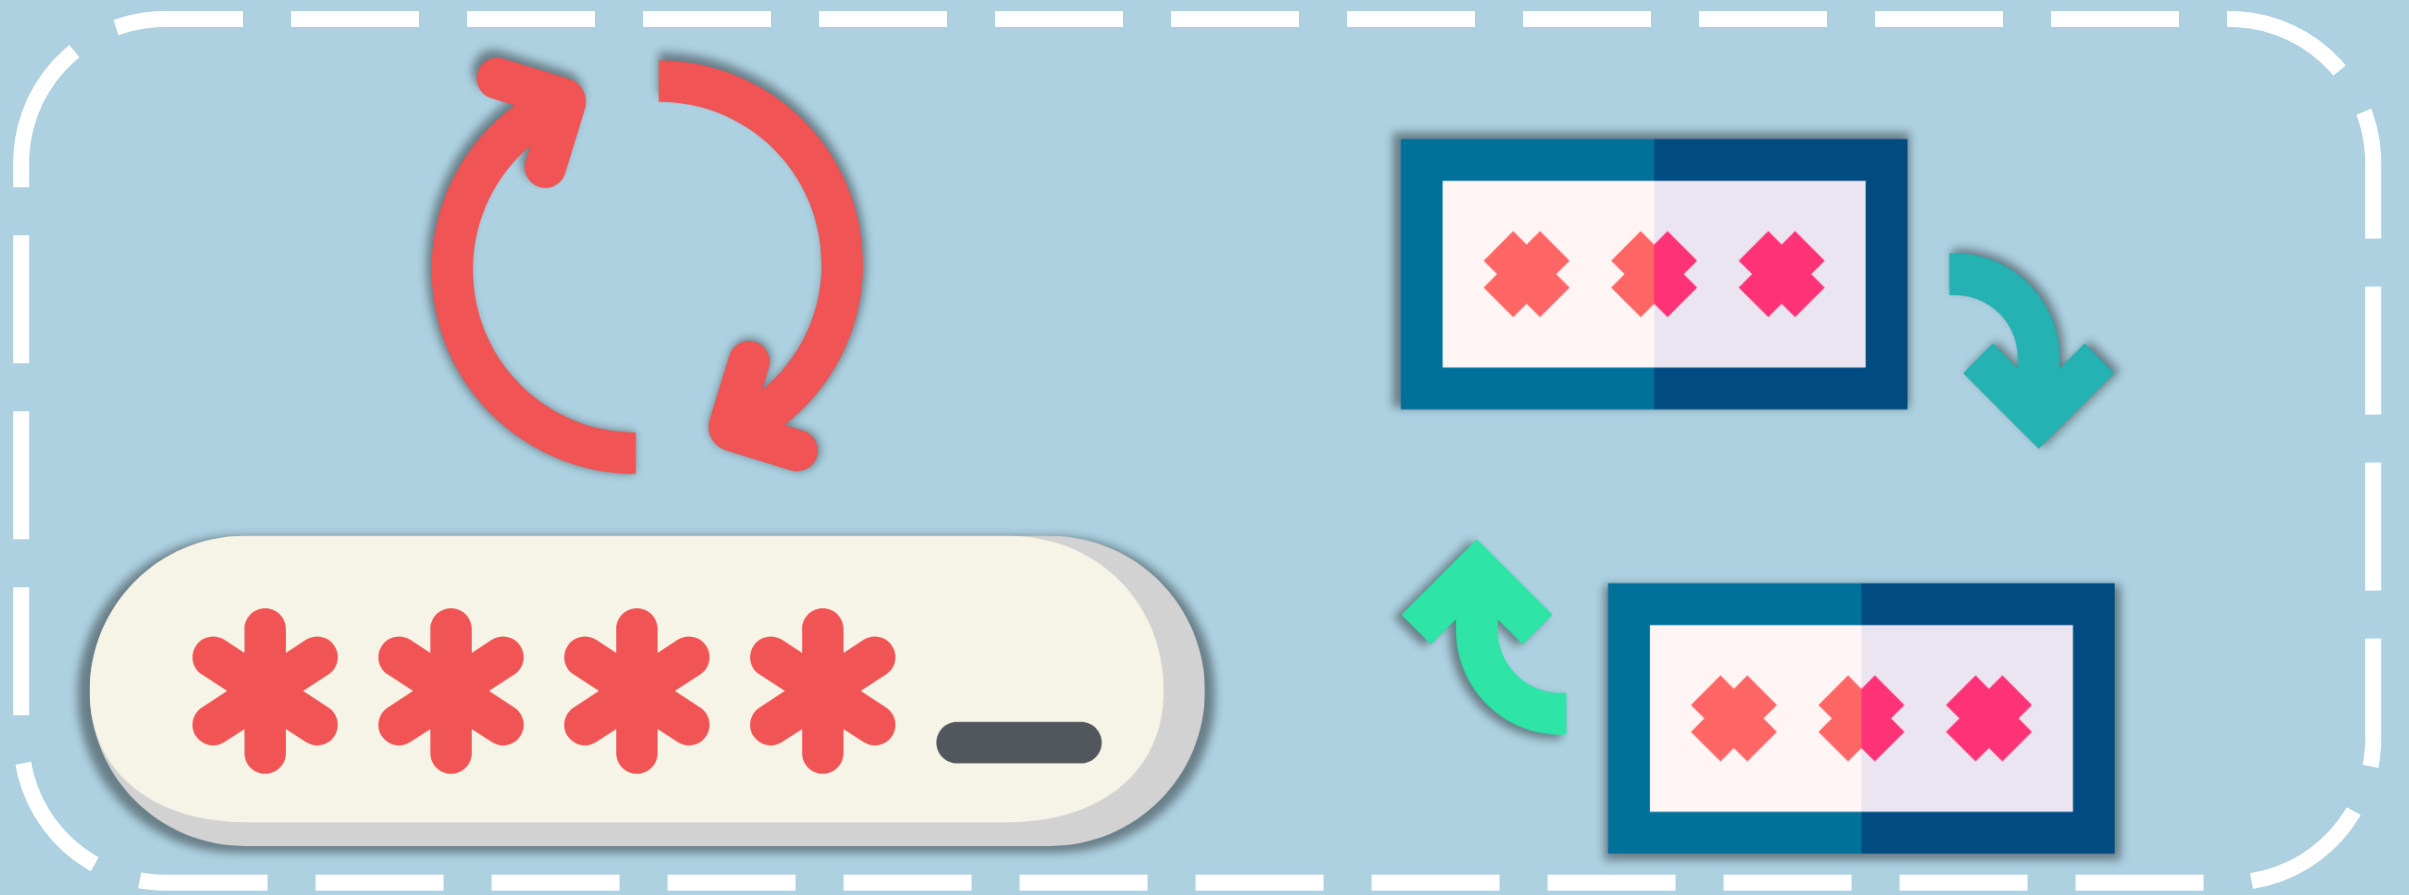

**There are some useful tips
for being safe online.**

Choose a “strong,” secure password.

**Use different passwords on all
your different social media accounts.**

Change your passwords frequently.

Avoid logging into public computers or using friends' phones to log in to your social media accounts.

CLICK HERE

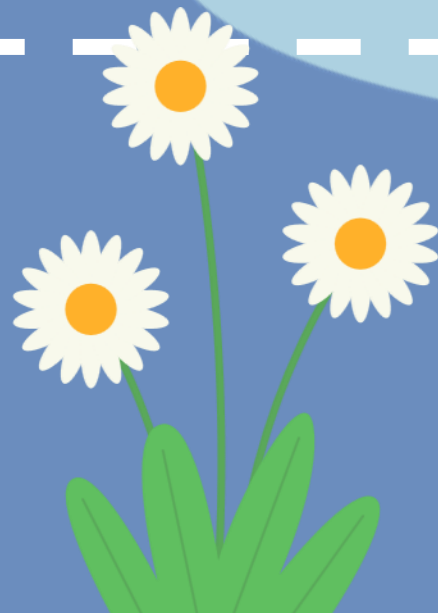

**Avoid clicking on social media links,
even the ones sent to you by a friend.**

Secure your devices with password protection to protect your social media and other information in case they are stolen or lost.

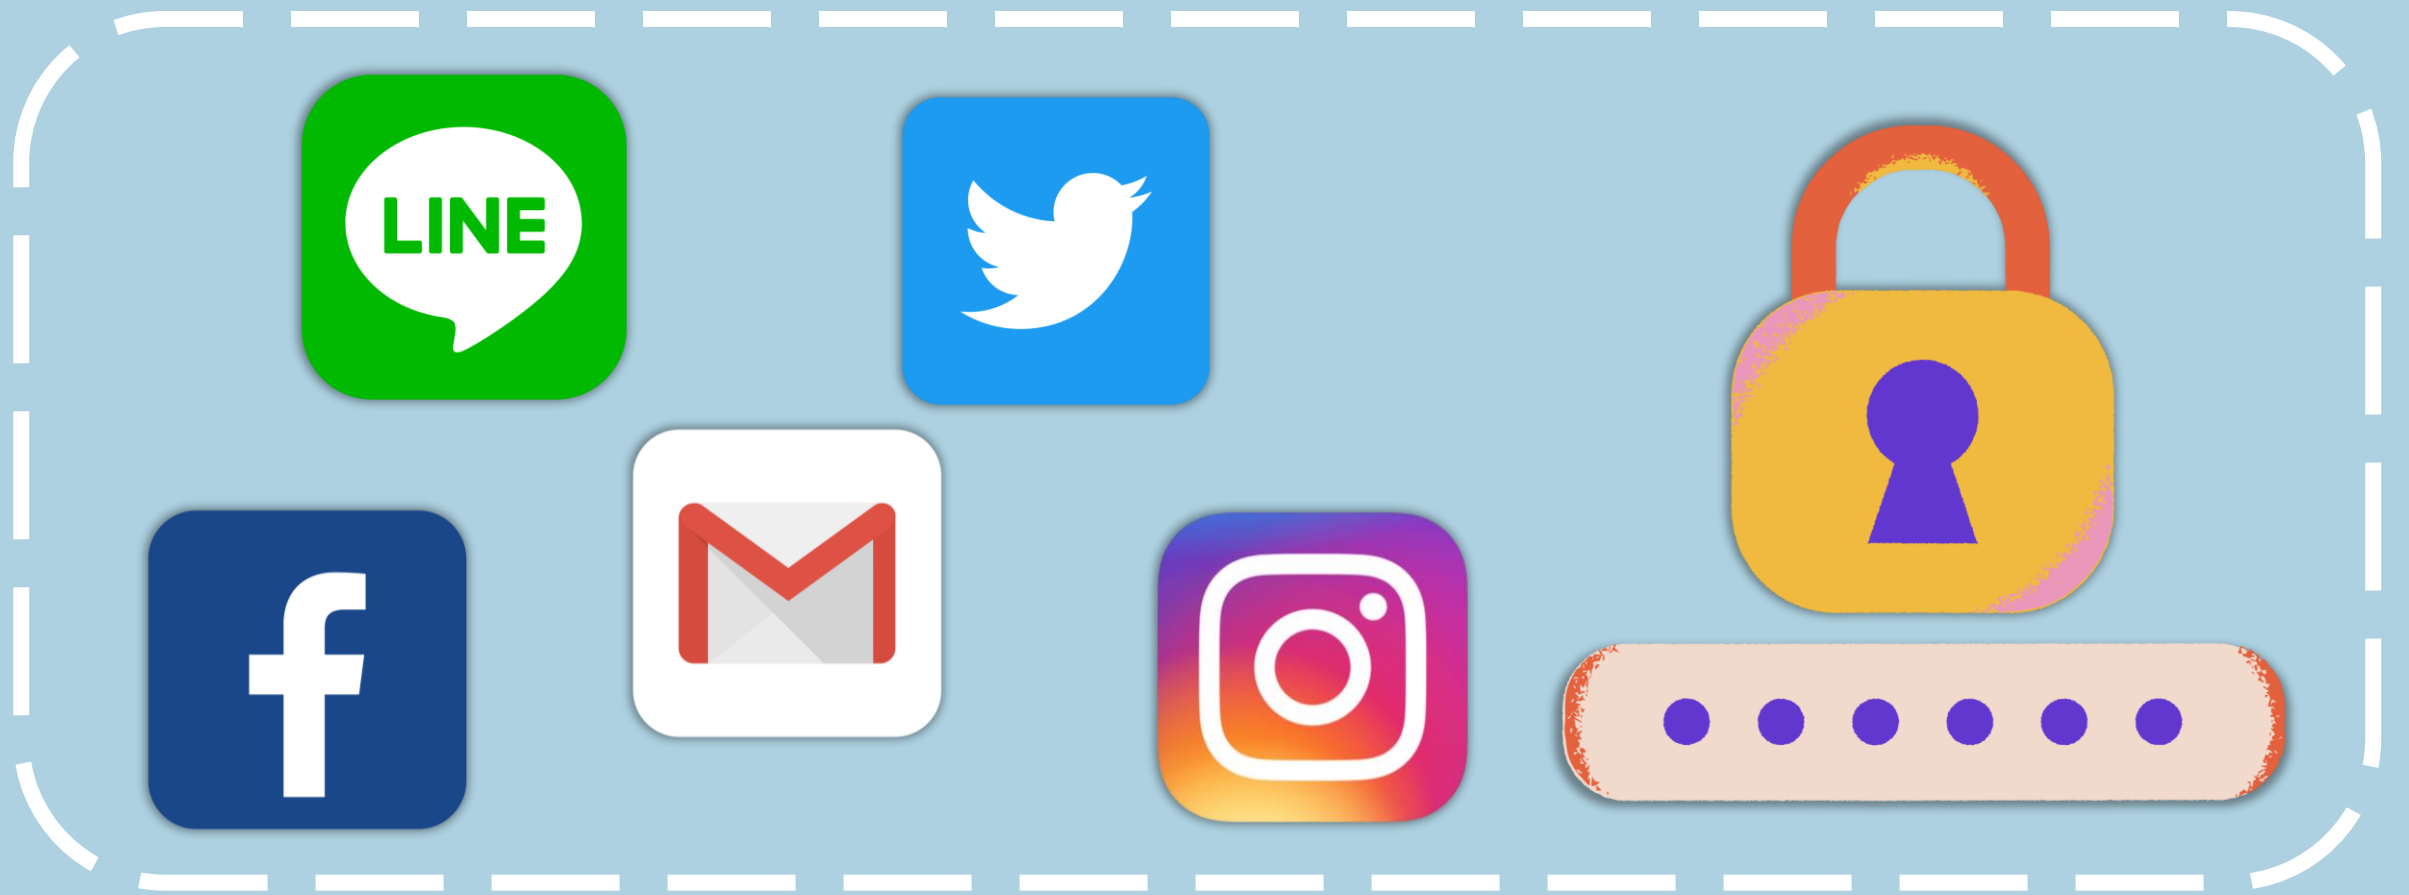

Take a Closer Look!

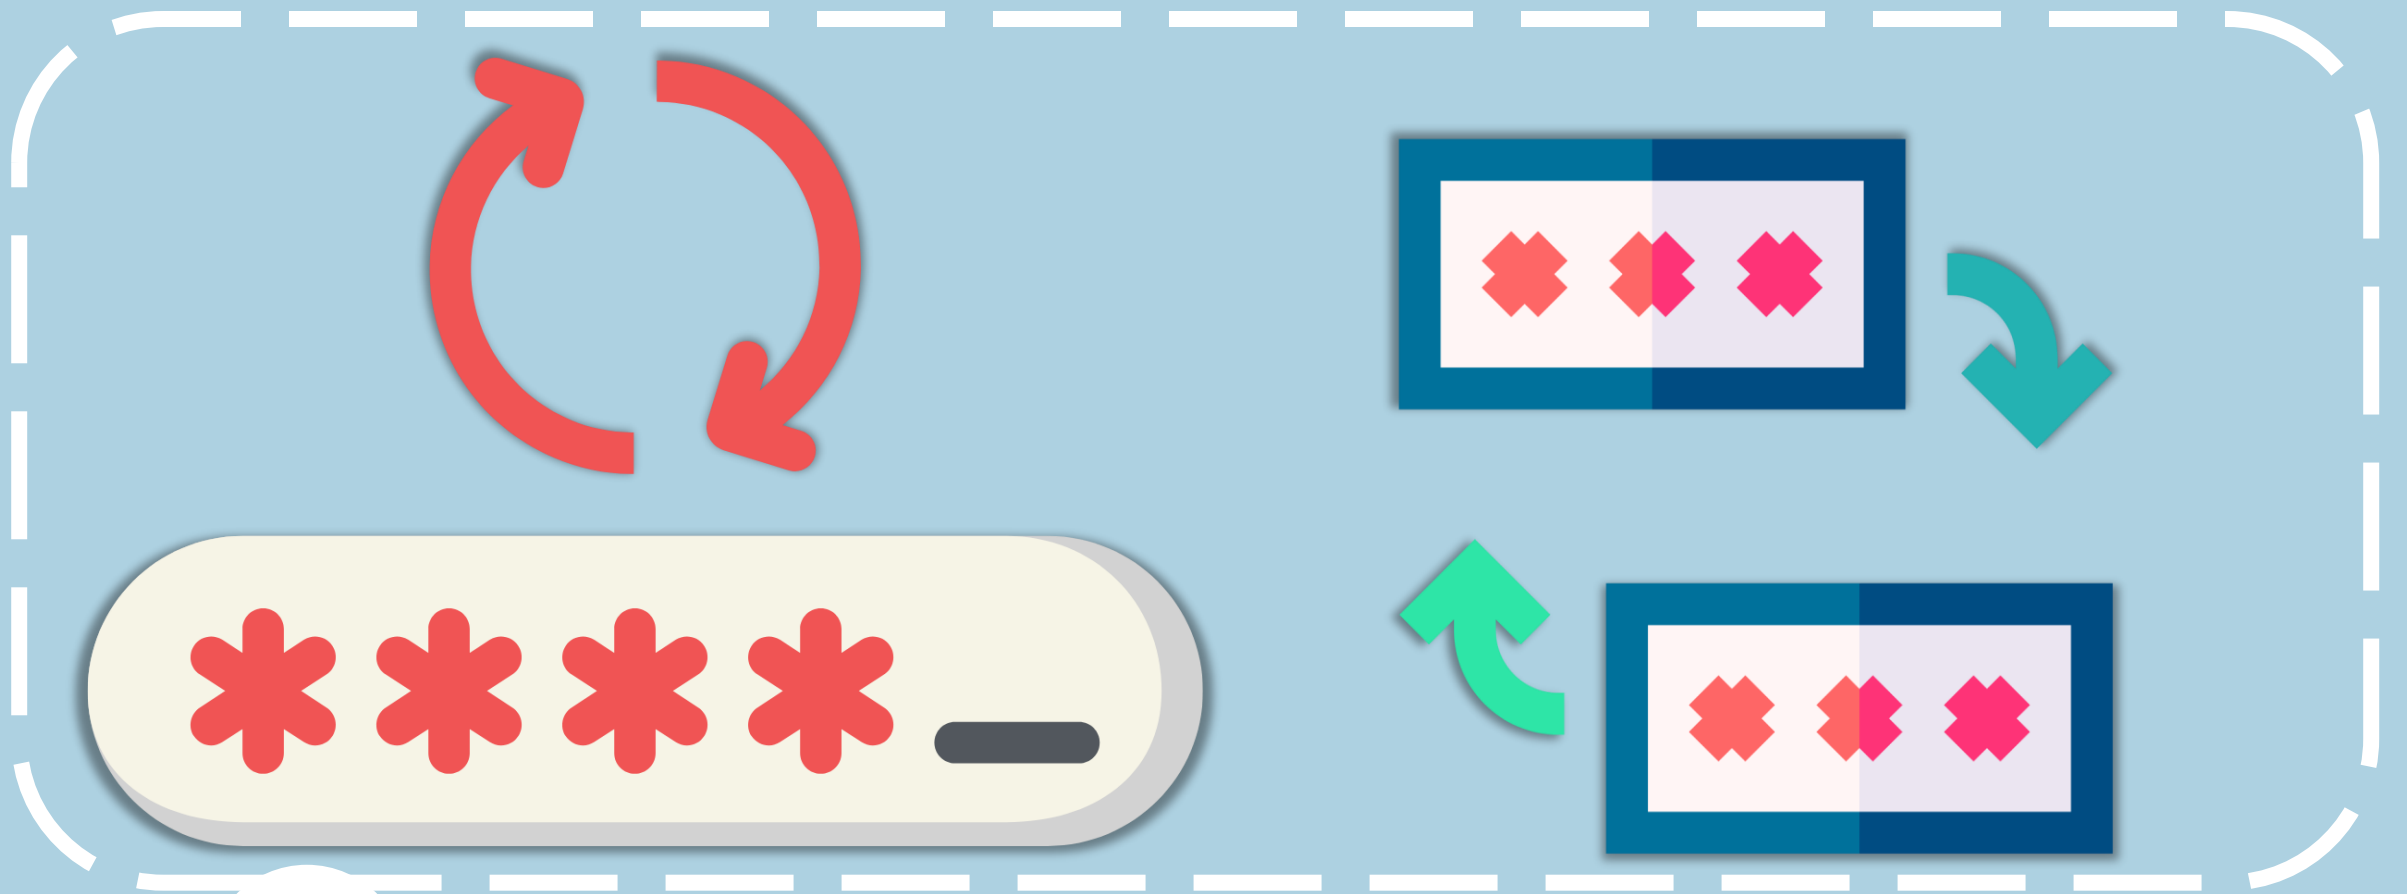

v.

Choose a “strong,” secure password.

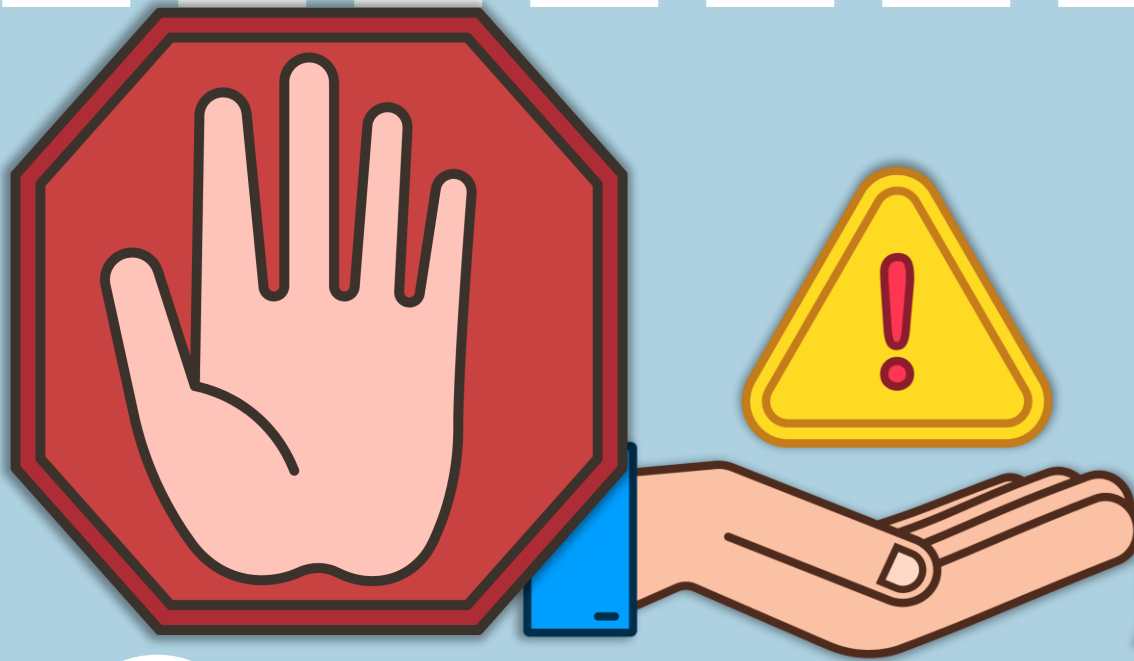

v. Use different passwords on all your different social media accounts.

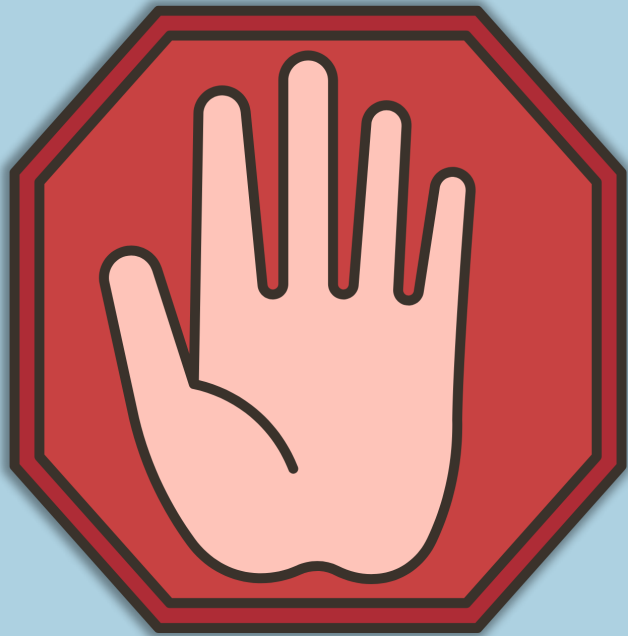

v.

Change your passwords frequently.

v.

Avoid logging into public computers or using friends' phones to log in to your social media accounts.

CLICK HERE

v.

Avoid clicking on social media links, even the ones sent to you by a friend.

Secure your devices with password protection to protect your social media and other information in case they are stolen or lost.

The background features a festive theme with colorful triangular bunting flags in shades of orange, blue, red, and white at the top. Scattered confetti in various colors is visible. A large, stylized megaphone with a red and white body and a blue speaker is positioned on the right side, held by a hand. The background is composed of curved, overlapping shapes in shades of pink and red, some with diagonal line patterns. The text is centered in a white, rounded, sans-serif font with a dark red shadow.

Imperative Sentences

Imperative Sentences

You should use different passwords.

Use different passwords.

Imperative Sentences

You should change your passwords frequently.

Change your passwords frequently.
