Riverside Community

We live in Riverside Community, but we do not like it there. It is not a very nice town.

There is a lot of rubbish on the streets and in the park because we do not put it in the bins. We do not plant trees and it is always hot. We do not recycle paper, glass, or cans because there are no recycling bins. Near the town, there is a big mountain of rubbish.

In the river, there is a lot of rubbish too because people who live near it always throw away their rubbish into it. Near the river, there are some factories, and they leave their waste in it. The water in the river is black and dirty.

Every day, we cannot see the blue sky because there is a lot of black smoke from the factories and carbon monoxide from the cars. We cannot sleep well because there is too much noise from vehicles and factories. We are not happy in the Riverside Community.
