Dear Grandma,

I miss you and grandpa a lot! Are you doing okay? In this letter, I will tell you about some places in my new school. My favorite place is the playground where my friends and I play games every day. My classroom is on the 5th floor of Building 3. On the 2nd floor, there are a computer room, a music room, an art room and a science lab. I also like the library, where we can play board games and borrow books to read. The canteen and the first-aid room are in Building 1. There isn't a football field, but there is a basketball court. My school is not very big but I like it a lot.

In the photos, you can see me and my friends in the library and the classroom.
