## Love's Secret

Never seek to tell thy love,  
Love that never told can be;  
For the gentle wind does move  
Silently, invisibly.

William Blake

# What is a poem?

A poem is a piece of writing that uses imaginative words to share **ideas, emotions, or a story** with the reader.

A person who writes a poem is called a poet. Many poems have words or phrases that sound good together when they are read aloud. People have been writing poetry for over 4,000 years.

**A**

Open a book  
And you will find,  
People and places of every kind;  
Open a book  
And you can be,  
Anything you want to be;  
Open a book  
And you can share,  
Wondrous words you find in there  
Open a book  
And I will too,  
You read to me,  
And I'll read to you!  
-Anonymous

**B**

One day, I found a wallet while  
I was walking along the street. I  
was really surprised to see it.  
After that, I hurriedly headed to  
the police station to report the  
police to find its real owner.

# What is a rhyme?

A **rhyme** occurs when two or more words have **similar sounds**.

The Fog I like the fog,  
It's soft and cool,  
It hides everything  
On the way to school.

I can't see a house,  
I can't see a tree,  
Because the fog  
Is playing with me.

The sun comes out,  
The fog goes away,  
But it will be back  
Another day.

It hides everything  
On the way to school.
