# Since My Last Trip 1

A vibrant travel-themed illustration. On the left, a large green and blue globe is shown with a yellow airplane flying around it. Above the globe, there are white clouds, a small grey airplane, and a dashed line representing a flight path. To the right of the globe, there are three overlapping photo frames showing different landscapes: a sunset, a mountain range, and a red pagoda. At the bottom of the slide, there is a row of green line-art icons representing various world landmarks: a pagoda, a classical building with columns, the Great Pyramids, a temple, Christ the Redeemer, the Sphinx, the Eiffel Tower, the Colosseum, a Japanese torii gate, Big Ben, another pagoda, and the Sphinx. On the bottom right, there is a green suitcase with yellow straps, decorated with travel icons like a heart, a sun, and an airplane.
