Since My Last Trip 2

A vibrant travel-themed illustration. On the left, a large green and blue globe is shown with a yellow airplane flying around it. Above the globe, there are white clouds, a small grey airplane, and a dashed line representing a flight path. To the right of the globe, there are three Polaroid-style photos showing a sunset, a night sky with stars, and a red pagoda. At the bottom of the slide, there is a row of green line-art icons representing various world landmarks: a pagoda, a classical building with columns, the Great Pyramids, a temple, Christ the Redeemer, the Sphinx, the Eiffel Tower, the Colosseum, a Japanese torii gate, Big Ben, another pagoda, and the Sphinx. On the bottom right, there is a green suitcase with yellow straps, decorated with travel icons like a plane, a heart, and a sun.

What is the main idea of the passage?

Travelling is fun because you can see new places and meet new people. You can visit beaches, mountains, or big cities. When you travel, you can try different foods and learn about other cultures. It can help you understand the world better and make happy memories with your family or friends.

But travelling also has some bad points. Sometimes, the trip can be too long or tiring. You might get lost or feel sick on the way. It can also cost a lot of money. If you travel too much, you may miss your home and feel tired. So, travelling is nice, but it is not always easy.

- 1. How many people visited Thailand in 2023?**
- 2. What do the tourists enjoy in Thailand?**
- 3. What happens when there are too many tourists?**

Many people like to visit Southeast Asia because it has beautiful beaches, tasty food, and warm weather. Countries like Thailand, Malaysia, Vietnam, and Indonesia get millions of tourists every year. In 2023, Thailand had over 28 million visitors! These tourists come from all over the world to enjoy nature, shopping, and friendly people.

Tourism helps these countries make money. Hotels, restaurants, and shops earn more when tourists come. Many people also get jobs as tour guides or drivers. But too many tourists can make places crowded and dirty, so it's important to take care of nature and keep the places clean.
