My House

I live in a house with my family. My house is small. It is pink. There are many rooms in my house. There are two bedrooms, one bathroom, one kitchen and one living room. I also have two bicycles.

My parents' bedroom is small. There is a bed and a wardrobe. My room is smaller than my parents' room. It is next to my parents' room. There is a bed, a desk, a chair, and a computer there.

My living room is quite big. It is very beautiful and opposite the kitchen. There is a sofa, an armchair, a table and three chairs. In addition, we have a television and three pictures on the wall.

My kitchen is quite small. My mother likes cooking in the kitchen. We always have a good meal. We have time to have breakfast and dinner in the dining room every day.

My house is not big, but it is beautiful. There are many beautiful flowers around my house. The flowers are pink, red, yellow, and white. I love my house.
