*Jay and Nida are talking about Adam's essay they read from the magazine.*

Jay: Did you finish reading Adam's essay about living in a city or a countryside?

Nida: Yes. I finished it last night. Do you agree with him?

Jay: I do. I want to live in a more modern and convenient place. How about you?

Nida: Well, I don't think so. You know that I come from a big city and for me, everything there is terrible!

Jay: Really? How?

Nida: It's noisy because there are so many cars on the road and crowded people. Things are more expensive. Moreover, houses are smaller. I didn't have space to do things I wanted to do.

Jay: But I like that there are a lot of places to go. Besides, you even have public transportation to use.

Nida: We have, but the traffic jam makes it difficult for us to go out. It's so boring.

Jay: I see. That's why your family moved here, right?

Nida: Yes. My mom is super happy with the beautiful scenery and fresh air here. I like that we can go picnic near the lake every weekend, and we can buy things in cheaper price!

Jay: Hahaha, I like that, too!
