### Mario's Travel Blog

What an amazing holiday! We have been on the road from Phuket to travel to the North of Thailand in our camper van for 2 days, and since we left Lampang, we've driven over 1,000 kilometers, so we've already done more than half of the trip. I had rice and an omelet for breakfast to celebrate! My favorite place up to now has been Bhumibol Dam – what an incredible place!

Today was another fantastic day. We drove up the mountain from Lampang, where we stayed the night, before going to Chiangmai. I've seen lots of pictures of Doi Inthanon, so I was very excited, but we didn't cross it! Mum said it was on the other side of the mountain, so I have not seen it yet. What a big disappointment!

Bye till tomorrow!
