รายวิชา ภาษาอังกฤษ รหัสวิชา อ21102 ภาคเรียนที่ 2 ชั้นมัธยมศึกษาปีที่ 1

**Instructions:**

1. Divide students into groups of 4-5 people.
2. Give each group a shopping list of 5-10 items that they might find at the supermarket (e.g., eggs, bread, milk, apples, chicken).
3. Assign roles in each group:
  - One student is a cashier.
  - One student is a stocker or clerk.
  - One or two students are customers.
4. The customers will "shop" by choosing the items from the shopping list. The cashier will ask questions  
and check the prices of the items as they "check out."

**Materials Needed:**

1. Play money (if available)
2. A shopping list of items
3. Role-play cards for the students (one student as the cashier, one as the customer, etc.)

**Example Dialogue:**

*Cashier:* Hello! How can I help you today?

*Customer:* Hi! I need to buy some rice and vegetables.

*Cashier:* Sure! The rice is 55 baht, and the vegetables are 30 baht.

*Customer:* Excuse me, where can I find the rice?

*Cashier:* The rice is in aisle 4, next to the noodles. Would you like anything else?

*Customer:* Yes, I also need some eggs and milk.

*Cashier:* Alright! The eggs are 40 baht, and the milk is 35 baht. Your total is 160 baht.

*Customer:* Great! I will pay by card.

*Cashier:* Please tap your card on the card reader. Thank you! Have a nice day!

**Note:** "Students can change the underlined vocabulary according to their interests."
