เรื่อง What a Disaster!

ครูผู้สอน ครูสรวรยา อุดรพรหม

The background of the slide is a colorful illustration of a severe weather event. A large, swirling blue and white hurricane or typhoon is the central focus, with rain falling diagonally across the scene. In the foreground, a red two-story house is being destroyed by the storm's force. The roof is partially missing, and wooden planks are flying through the air. A white picket fence is visible in front of the house, and a utility pole with wires is on the right. The overall scene conveys a sense of a major natural disaster.
