

คำชี้แจง ให้นักเรียนเขียนสะท้อนความคิด ความรู้สึก และความเข้าใจเกี่ยวกับความเป็นชาติไทย

This image shows a full page of primary-ruled paper. It features multiple sets of horizontal lines designed to guide young learners' handwriting. Each set consists of three lines: two solid outer lines defining the height of capital letters, and a dashed middle line indicating where lowercase letters should sit. These sets are repeated down the entire page, providing ample space for practicing letter formation and basic writing skills. The paper is otherwise blank, with no margins or additional markings.
