## What does each season mean to you?

### Spring

Spring is a time for new beginnings. People clean their homes and get their gardens ready. You can see flowers starting to bloom and birds coming back.

What new things do you want to start or change this spring?

### Summer

Summer is when flowers are in full bloom. Many people like to spend time outside, have barbecues, or sit by a fire with friends and family.

How can you enjoy summer and feel happy like a child?

### Fall

Fall is harvest time. People collect fruits and vegetables and prepare food to use during winter. You can learn how to do this from books, videos, or older family members.

What fruits or vegetables would you like to try preparing or cooking?

### Winter

Winter is a time for holidays and celebrations. People cook, bake, and give gifts to friends and family. If you like winter sports or walking outside, winter can be fun and healthy.

How will you take care of yourself during winter?
