Dear Paul Vogue

Firstly, If I were you, I would use a heavy conditioner every time you wash your hair. I would advise you to use some hair oils. These are available at every pharmacy and at reasonable price

I hope things will get better soon.

My name is Vivian Duclos. I just read your letter in School's advice column, and I think I can help you. I would like to give you some advice from my experience.

Furthermore, I would also advise you to consult a hair therapist. He may give you a treatment suitable to your case such as hair serum, natural shampoo.
