what power would you want?  
What would you do with it?**

# Everyday Heroes

**Superheroes are not only in movies.  
In real life, we have heroes who make  
the world become a better place.**

**In movies, heroes have special powers to save people. These stories make us feel excited.**

**However, real-life heroes are people like doctors, firefighters, and teachers.**

**• Doctors have patients take medicine to get better.**

**• Firefighters get people to move to a safe place.**

**• Teachers make students learn new things every day.**

**They don't fly or use magic, but they have many good things done for our community. They don't wear capes, but they are real heroes.**

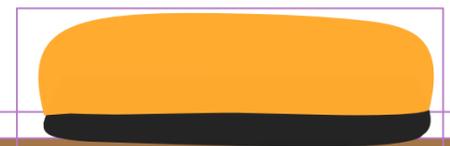

**Everyone can be a hero. When you help a friend, you make them feel happy. When you plant trees, you get the air cleaned. You just need a kind heart to make a change happen!**

# Causative structures
