Yesterday was Gary's birthday. He got a special gift from Uncle Bob. The gift had a joke book, a water bottle, and a stone inside. It was an unusual gift, but jokes can be fun!

He opened the book and started reading a joke. It was called "How to Change Stones into Frogs!" It looked interesting. And Uncle Bob gave him all the things he needed to play the joke on his little sister, Andrea.

Gary and Andrea went into the yard. Gary put the stone in the gift box. Then he put the gift box next to the tree. He poured the water over the stone. "Close your eyes and count to 10, Andrea!" Gary said.

"OK!" Andrea said. She was very excited. She closed her eyes and counted to 10. Gary quietly took the stone out of the box and put in a frog.

"Ready? OK, look!" Gary said. Andrea opened her eyes, and out jumped out a big, fat frog. "Wow! A frog! That's amazing!" she said. "Now I'm going to try one of Uncle Bob's jokes!"
