Where did he leave his mobile phone?

Can he found his mobile phone?

Who found his phone?

## Direction1 : Who handed in Jacob's mobile phone?

Jacob left his mobile phone on the bus.

Someone found the phone and gave it to the bus driver.

Jacob wants to say thank you to the person.

Listen to the bus driver describe the person.

Do you know which person found Jacob's phone?

Choose the correct person.

# Listening tape script

“Oh yes, the phone. It **was** a man. A man gave me the phone. He **wasn't** a **young** man, he **was** an **older** man, about 50 I think. Let's see... he **had brown** hair, his hair **was short**, and...er... he **had dark skin**, that's right. Oh yes, and he **was wearing** glasses. He **was wearing** black glasses. I hope you find him!
