Film Synopsis: Wonder Woman (2017)

Raised on a sheltered island paradise, Diana meets an American pilot (Chris Pine) who tells her about the massive conflict that's raging in the outside world. Convinced that she can stop the threat, Diana leaves her home for the first time. Fighting alongside men in a war to end all wars, she finally discovers her full powers and true destiny.

## 1. Marvz Angelie

I'm really hoping that the movie does well. It was great movie and I want them to make a sequel.

## 2. Electrifying 3:16

I came here after watching Wonder Woman. After so much praise I couldn't believe I was watching the same movie. Horrible. Terrible. Unbelievably boring.

## 3. Jay M

I knew that if I watched this, I would wonder why SO many people praised it. I just watched it today, and I was right. What's so great about it? The majority of the movie was so boring that I wanted to fast forward it.

Like/Dislike-Reason : .....

## 4. Mary Lynn McKenzie

I've seen it five times already! Everyone should see it! I figured out why I love it so much. She is a hero that I can look up to as a young woman.

Like/Dislike-Reason : .....

## 5. Matt Singer

Wonder Woman is exciting, romantic, funny — and my favorite DC movie to date. With her courage and strength, Diana sets an example for everyone she meets, and she holds fast to her ideals even under great pressure. I've seen it twice already!

Like/Dislike-Reason : .....

## 6. Slonerko

I wanted to like this so much that I believed the hype. But apart from Gal Gadot's charismatic performance, the rest of this film is rather ridiculous.

A background image of Heath Ledger as Jim Carrey in the movie Lemony Snicket's A Series of Unfortunate Events. He is shown from the waist up, wearing a dark blue jacket over a light blue shirt, jumping off a stone ledge. He is smiling and holding a microphone in his right hand. The background shows a stone building with a window.
