## ใบงานที่ 40.2 เรื่อง Smoking หน่วยการเรียนรู้ที่ 5 แผนการจัดการเรียนรู้ที่ 40 เรื่อง Smoking Stinks I รายวิชา ภาษาอังกฤษ อ23102 ภาคเรียนที่ 2 ชั้นมัธยมศึกษาปีที่ 3

**Directions:** Use the words given below to complete the passage.

|  | sneak  | to act                   | pressured              |              |  |  |
|--|--|--------------------------|------------------------|--------------|--|--|
|  | underage   | addiction                | abuse                  |              |  |  |
|  | unemployed   | reasons                  | addicted               |              |  |  |
|  | Most people start smoking whe                            | n they are in their teen | s and are <u>(1)</u>   | by the       |  |  |
| ime th   | ney reach adulthood. Some have                           | e tried to quit but have | returned to cigarett   | tes because  |  |  |
| smokin   | g is such a strong <u>(2)</u>                            | It is a habit that is ve | ery difficult to break | k. There are |  |  |
| many d   | different <u>(3)                                    </u> | ople smoke.              |                        |              |  |  |
|  | Three of the main reasons that                           | young people smoke a     | re to look <u>(4)</u>  | , to be      |  |  |
| ike their friends, and to experiment. Since teens see older people all around them smoking,    |  |                          |                        |              |  |  |
| especially their parents and relatives, they smoke <u>(5)</u> older. If their friends or peers |  |                          |                        |              |  |  |
| •  | •  |                          |                        | ·            |  |  |
| smoke, they may feel <u>(6)</u> into doing the same to be accepted. The last reason is         |  |                          |                        |              |  |  |
| the excitement of experimenting with something that is forbidden. In Massachusetts it is       |  |                          |                        |              |  |  |
| against the law for anyone under 18 years old to smoke. Usually parents do not allow their     |  |                          |                        |              |  |  |
| teens to smoke. Therefore, smoking becomes very attractive. It is exciting to                  |  |                          |                        |              |  |  |
| get ciga   | arettes and <u>(8)</u> away                              | to smoke without bein    | g caught.              |              |  |  |
| Adults smoke for other reasons. They may have a lot of stress and pressures because            |  |                          |                        |              |  |  |
| of ecor  | nomic and personal <u>(9)</u>                            | They may be <u>(1</u>    | oror                   | working but  |  |  |
| not making enough money to take care of themselves and their families. They may be             |  |                          |                        |              |  |  |
| nomeless, or they may be <u>(11)</u> alcohol or cocaine/heroin addictions. Some                |  |                          |                        |              |  |  |
| may be in bad marriages or relationships in which there is physical and/or verbal <u>(12)</u>  |  |                          |                        |              |  |  |
| All these people may smoke to feel relaxed or to give them energy while going through a        |  |                          |                        |              |  |  |
| nard time.   |  |                          |                        |              |  |  |
|  |  |                          |                        |              |  |  |
