How to Go Green

Unit 5: The World in Your Hands

A photograph of a green watering can pouring water onto a small green seedling in dark soil. The water is captured in mid-air, creating a spray of droplets. The seedling has three leaves and a thin stem. The background is blurred green foliage.

**Ex 2: Complete Brenda's
resolutions for the week with
going to.**

Brenda's resolutions for the week

Hi, I'm Brenda. My family is going to
help the planet and we are going to be
environmentally friendly. Every Monday
my brother and I are going to walk to
school. On Tuesday when I clean my teeth,
I am going to save the water.

On Wednesday my brother is going to
help me to put glass, paper and cans in
different boxes. Thursday is going to
be the day of energy. We are going to
save energy switching off the lights and
the TV.

Every Friday I am going to recycle paper.

It's a good idea to write on 2 sides of a piece of paper. At the weekend we also are going to take action. Mum is going to reuse plastic bags when she does the shopping and on Sunday we are going to throw away rubbish in the recycling bins.

Exercise 50.2

Make the Go Green Resolution.
