CHIANG MAI

Chiang Mai is a major destination for visitors, not just because of its outstanding natural beauty, but also because of its historical and cultural importance as the administrative, economic and cultural capital of the old Kingdom of Lan Na. However, until recently, there has been no centre to teach all aspects of the region's history and culture to both upcoming generations and visitors.

BORACAY, PHILIPPINES Exercise 58.1 B

Find the adjectives from the reading text given.

Boracay may be a small island, but it packs great features such as award-winning beaches, beautiful resorts and great adventures like cliff diving, parasailing, motorbiking, horse riding, snorkeling, kite surfing and scuba diving. KOH PHI PHI

Exercise 58.2

Read and answer the questions.

The Phi Phi Islands, also in Krabi, are one of Thailand's most popular resort areas for a reason. Only Phi Phi Don is inhabited, with day trips available to the surrounding islands. One of the fun Spots on Koh Phi Phi is **Monkey Beach**, where you'll come face-to-face, literally, with the namesake creatures. You can hire a guide to take you out on a small wooden boat or rent your own kayak. There's also a small stand where you can buy snacks and fruit shakes, but hang onto your treats. If you leave them unguarded, the monkeys will brazenly dig in and chow down right in front of you. **Long Beach** is another nice spot on the island; it's not a secluded place, but is great for watching the sunset. If you're lucky and the tide is out, it's a beautiful walk back toward the main part of the island.

KOH PHI PHI

Exercise 58.2

Read and answer the questions.

Tour operators offer packages for snorkeling and diving trips, as well as excursions to the Infamous **Maya Bay**, where the Leonardo DiCaprio movie *The Beach* was filmed. Because Koh Phi Phi draws so many tourists, there are plenty of tour companies arranging tickets to other Beach destinations, such as Phuket, **Koh Chang**, and **Koh Lanta**. Though you would hardly know to see it now, Phi Phi Don was one of the areas hit hard by the 2004 tsunami. Guesthouses, Restaurants, and markets have been rebuilt and crowds still come in droves to the resort island. There is a small, somber memorial park to honor those who died in the tragedy, yet the resort areas appear otherwise revived.
